

Social Media Template for
merchants to announce
Xendit integration

How to use this template:

1. For customers in Indonesia, choose slide 4 for post in English or choose slide 5 for posts in Bahasa Indonesia
For customers in the Philippines, choose slide 6
2. Replace the box on the top right with your Business's logo
3. Edit the text area highlighted in red with your business's name
4. In the invoice UI, remove or replace the logo with payment channels that you have activated with Xendit. Refer to slide 6 for other payment channel's logo you want to show.
5. Download the edited slide
 - a. While on the slide, click File > Download > PNG image (.png image, current slide)
6. Post this on your social media 🎉🥳
7. Make sure to include #xendit and #makingpaymentssimple in your caption

Cara menggunakan template ini:

1. Untuk bisnis di Indonesia, pilih slide 5 untuk post dalam Bahasa Indonesia atau slide 4 untuk post dalam Bahasa Inggris
Untuk bisnis di Filipina, pilih slide 6
2. Ganti kotak di pojok kiri atas dengan logo bisnis Anda
3. Ganti text berwarna merah dengan nama bisnis Anda.
4. Di bagian UI invoice, hapus atau gantikan logo channel pembayaran yang Anda aktifkan dengan Xendit. Lihat pada slide 4 untuk menyalin logo channel pembayaran lainnya.
5. Unduh slide yang sudah disunting ke komputer Anda
 - a. Saat slide sudah disunting, klik File > Download > PNG image (.png image, current slide)
6. Unggah post ini ke social media Anda 🎉🥳
7. Tulis #Xendit dan #makingpaymentssimple di caption Anda
